

# 4<sup>th</sup> Annual Freddy Fright Fest

Presented by the Association of Professional Engineers & Geoscientists of NB and Paramedics Association of NB

In support of the Charlotte Street Arts Centre and Hospice Fredericton

Freddy Fright Fest is an annual Halloween themed community fundraising festival which features a number of events you don't want to miss! The 2024 festival is comprised of live entertainment, Halloween themed events, movie nights, a licensed bar, a craft market, the popular Raveyard, three (3) nights of Evil Dead: The Musical, presented by Branch Out Productions, and its centerpiece, the famous HAUNTED TOUR.

Freddy Fright Fest has become a well-known, highly anticipated event and excitably received within the community each year! The festival is 100% operated by community volunteers with the majority of the planning and organizing committee being comprised of APEGNB Fredericton and PANB members.

In 2023, we raised over \$95K. A considerable amount of the funds raised were shared with the Charlotte Street Arts Centre and Hospice Fredericton; charitable donations were also made to various other groups such as FHS Safe Grad, UNB Theatre, Women's Rugby teams and more!

In our continuing effort to grow and improve, with the goal of helping charitable groups in need, we are asking for your support (either monetarily or through donation of materials/supplies). We hope to make this year's festival the best yet, all while providing a fun, safe Halloween experience for people of all ages to enjoy.
